Sample information	Collection date								
	Testing date								
	Sample location on property								
	Source (tile, surface, stream)								
Calculator inputs	NO3 (nitrate) conc. (ppm or mg/l)								
	Collection method (2 or 5-gallon bucket)								
	Flow rate (seconds)								
	Acres drained								
	Months of flow								
	Applied nitrogen source (anh/liquid)								
	Applied nitrogen cost per ton								
Results	Lbs/day loss								
	Lbs/acre/day loss								
	$ day loss								
	$ acre/day loss								
	$ loss per year for field								
	$ loss per acre per year
